VISOKOGRADNJA

Aktivnost Zagorje-Tehnobetona d.d. primarno je i intenzivno usmjerena na visokogradnju prema izgradnji trgovačkih i logističkih centara, stambenih i komercijalnih objekata, industrijskih građevina, hotelskih kompleksa, zračnih luka, bolnica, sportskih objekata i škola te raznih drugih objekata posebnih namjena, a rekonstrukcija i dogradnja također zauzimaju velik udio u aktivnostima.

Objekti se grade do potpune funkcionalnosti, najčešće prema modelu „ključ u ruke“, prilikom čega se uz građevinske radove odraduju i koordiniraju obrtnički i instalaterski radovi te radovi na uređenju okoliša.

Neki su od važnijih velikih projekata koje smo izgradili:

trgovački centar Garden Mall Zagreb (65.000 m²), hotel Lav Split (55.000 m²), Gradska sportska dvorana Varaždin (22.000 m²), stambeno naselje POS Varaždin (72.288 m²), stambeno naselje POS Zagreb, Sesvete (47.100 m²), trgovački centar Avenue Mall Osijek (64.730 m²), trgovački centar City centar One Split (142.000 m²), trgovački centar Lumini Varaždin (33.000 m²), trgovački centar Roses fashion outlet Sveti Križ Začretje (30.000 m²), poslovna zgrada Almeria Zagreb (65.000 m²), Rockwool Potpićani, Istra (40.000 m²), Klinika za ženske bolesti i porode Split (16.500 m²), KB Rebro Zagreb (19.290 m²), Radin Sveta Nedelja (21.900 m²), poslovni park Sveta Nedelja (33.000 m²), nogometni stadion Pula (18.750 m²), dogradnja Zračne luke Split (48.000 m²), hotel Parenium Poreč (20.582 m²), hotelski kompleks Blok 11, Beograd, Srbija (24.200 m²), poslovne zgrade Györ Madarska (60.000 m² i 40.000 m²), trgovački centar Plaza Kragujevac, Srbija (50.000 m²).

Zagorje-Tehnobeton d.d. kontinuirano sudjeluje u realizaciji Vladinih projekata izgradnje autocesta, škola, bolnica i elektrodistributivnog sustava.

BUILDING CONSTRUCTION

The primary and intensive focus of the activities of Zagorje-Tehnobeton is building construction in the form of construction of shopping and logistic centers, residential and commercial buildings, industrial facilities, hotel complexes, airports, hospitals, sports facilities and schools, and other various facilities for special purposes, along with reconstruction and expansion of buildings which accounts for a large part of Zagorje-Tehnobeton's activities.

Buildings are constructed to full functionality, most cases applying the „turnkey“ system, along with trade and installation work, as well as landscaping.

Some of the important major projects we have built are:

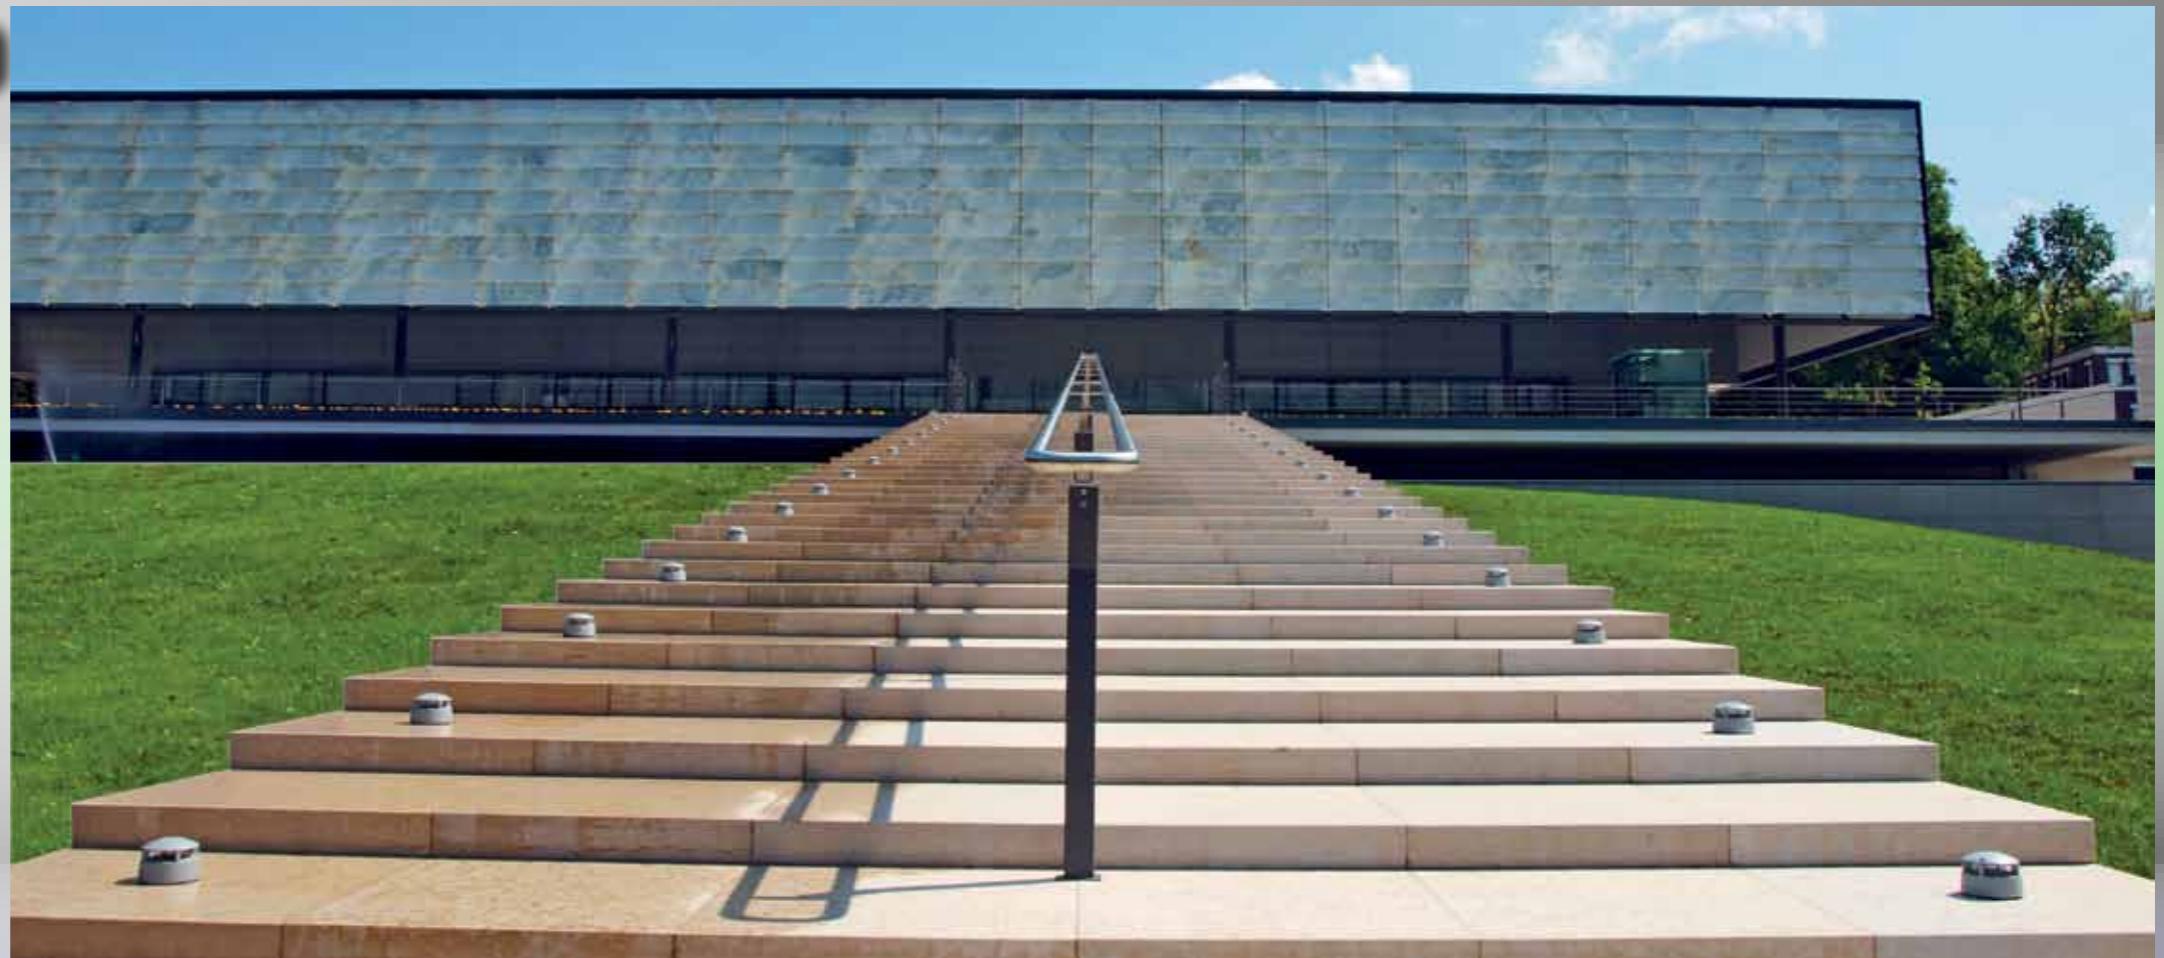

the Garden Mall shopping mall, Zagreb (65.000 m²), HotelLav, Split (55.000 m²), City sports hall Varaždin (22.000 m²), Varaždin POS residential estate (72.288 m²), Zagreb POS residential estate, Sesvete (47.100 m²), Avenue Mall shopping mall, Osijek (64.730 m²), City centar One shopping mall, Split (142.000 m²), Lumini shopping mall, Varaždin (33.000 m²), Roses fashion outlet shopping mall, Sv.Križ Začretje (30.000 m²), the Almeria business building, Zagreb (65.000 m²), Rockwool Potpićani, Istra (40.000 m²), Clinic for Gynecology and Obstetrics, Split (16.500 m²), Rebro hospital, Zagreb (19.290 m²), Radin, Sv.Nedjelja (21.900 m²), Sv. Nedelja business park (33.000 m²), Pula stadium (18.750 m²), Split airport upgrade (48.000 m²), Hotel Parenium Poreč (20.582 m²), Hotel kompleks Blok 11, Belgrad, Serbia (24.200 m²), business buildings Györ Madarska (60.000 m² and 40.000 m²), shopping center Plaza Kragujevac, Serbia (50.000 m²).

Zagorje-Tehnobeton is continuously involved in the implementation of Government projects to build highways, schools, hospitals and the electricity distribution system.
